

VOLUNTEER/INTERN PROMISE

As a Volunteer/Intern for After School with Pomona Hope, I commit to equipping the young people I work with to act powerfully to transform their lives and the lives of their community, in the following ways:

1. Being committed.

- I will do my best to show up *on time*.
- In the event that I am unable to make it to Pomona Hope, or will be late, I will inform either the volunteer coordinator from my church or college, or the After School with Pomona Hope Volunteer Coordinator with as much advance notice as I am able to give.
- I will follow my personalized schedule.

2. Adhering to After School with Pomona Hope's encouragement and discipline policies.

- I will enforce all rules and incentives consistently.

3. Being a good role model to the kids.

- In addition to enforcing the program's rules, where appropriate, I will follow them myself.
- I will follow Pomona Hope's dress code.
- I will not discuss more mature subjects with or around students, endorse illegal or improper activities, or confide in students inappropriately.
- I will step away from the students when using my cell phone or other personal electronics.
- If I am able to speak Spanish with the students, I will be courteous to those around me by ensuring that I do not exclude others who are unfamiliar with the language.
- I will participate in workshop activities, and not be distracting to students as they are supposed to be learning.

4. While volunteering/interning, I will do my best to keep myself and students at After School with Pomona Hope safe.

- I will not leave kids alone in a room.
- I will discourage actions that could result in injury.
